

Test your knowledge

What happens every **2 seconds**?

2 Seconds

Every minute

What kills 6 people **every minute**?

What is the world's **2nd leading cause of death**?

Death

Disability

What is the **leading cause** of disability around the world?

And did you know?

Stroke affects children as well as both men and women. It is responsible for more deaths annually than AIDS, tuberculosis and malaria combined.

October 29th is World Stroke Day
